Ms. Pickerall:

I am sorry that I failed to file activity and termination reports for the Gravel committee. I was under the impression that all responsibilities in that regard terminated when the FEC completed the Audit Report that was approved by the Commission on January 22, 2010.

As I pointed out on the phone, my wife and I moved to California in November which caused of my inattention to this matter along with some health problems and no staff.

There was no activity with the Committee since the FEC's final report in January 2010.

As you instructed, I have since gone to your website in an effort to file the third quarter and termination reports. The report site does not recognize my ID number or the name of the committee. Would you please call me or I will call you tomorrow the 17th so that you can walk me through the documents process.

Thank you.

Sincerely
